

Estrel Saal A & B
Friday Freitag - Saturday Samstag

Friday Freitag & Saturday Samstag | 08:30 - 18:00

4th International Equine Congress – Poster *Foyer Estrel Saal A & B*

Intraoperative neuromonitoring of the recurrent laryngeal nerve during thyroidectomy in three horses *M. Al Naem*

Evaluation of Matrix-Metalloproteinases (MMPs) and Tissue Inhibitors of Metalloproteinases (TIMPs) as biomarkers for sepsis and endotoxemia in equine colic *A.-K. Barton*

Neutrophil extracellular traps in the pathogenesis of equine recurrent uveitis (ERU) *L. Fingerhut*

A scalable protocol for equine platelet concentrate production *A. Hagen*

Diagnostic studies on horses with and without equine recurrent uveitis (ERU) – first results *L. Kirmse*

Detection of IgE serum antibodies to Culicoides salivary gland peptide antigens in horses with equine summer eczema *C. C. Klein*

Effect of rho/ROCK inhibition on early TGF- β -induced tenogenesis in mesenchymal stromal cells *M. Melzer*

Serum thymidine kinase as neoplastic marker – Clinical case reports *S. Moeller*

Comparison of pre- and post-treatment pain scores of twenty-one horses with laminitis treated with acupoint and topical low level impulse laser therapy *U. Petermann*

Effect of feeding on omeprazole plasma level in horses with gastric ulcers *S. Recknagel*

4th International Equine Congress

Friday Freitag & Saturday Samstag | 08:30 - 18:00
4th International Equine Congress – Poster Continuation

Foyer Estrel Saal A & B

Genetic diversity and antimicrobial resistance patterns of *Streptococcus equi* ssp. *equi* isolates from equines *D. A. Rotinsulu*

The aerobic bacterial spectrum in horses with ocular diseases *A.-K. Schieder*

Short term clinical side effects of external beam radiation therapy of periocular equine sarcoids *S. Schleich*

Pyrrrolizidine alkaloid contamination in equine herb containing nutraceuticals – is it possible to avoid? *B. Schwarz*

Comparison of two antibiotic protocols in equine diagnostic laparotomy *S. D. Stöckle*

VPH

Serological follow up of a confirmed case of a West Nil virus infection with minimal neurological signs detected synchronously with seven subclinical cases *D. Trachsel*

VPH

Diverse treatment strategies for horses with 'kissing spines' - International survey of equine orthopaedic specialists *D. Treß*

The effect of xylazine and lidocaine on inflammation during small intestinal ischemia in horses *N. Verhaar*
